Dear [REDACTED] and the wider team within the OUH antenatal and newborn screening service,

On behalf of myself and [REDACTED], Deputy Director of Public Health Commissioning (Screening – NHS England SE Region), I would like to sincerely thank the entire team at Oxford University Hospitals NHS Foundation Trust for their hard work, professionalism, and unwavering commitment throughout this process. Their dedication to improving service quality and ensuring the safety and effectiveness of the screening pathways has been clearly demonstrated.

I am particularly grateful for the collaborative and proactive approach taken by the team in responding to the recommendations, completing the action plan within the agreed timescales, and maintaining open and constructive communication throughout.

Please accept my heartfelt thanks and congratulations on this achievement. Your efforts play a vital role in delivering high-quality screening services and improving outcomes for the populations you serve.

I would also like to thank [REDACTED] at SQAS and my own team at NHS England ([REDACTED] and [REDACTED]) for their tremendous support in reaching this important milestone with you.

Yours sincerely

[REDACTED]

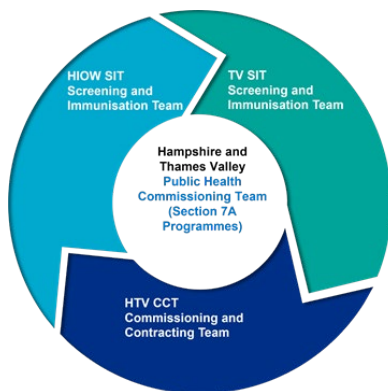

Dr [REDACTED]
Consultant in Public Health Medicine – Screening & Immunisation Lead (Thames Valley)
NHS England - South East Region

Dear [REDACTED]

Thank you so much for acknowledging this achievement. The support and guidance from you and your team have been absolutely instrumental in helping us reach this milestone.

We are proud to have achieved sustainable improvements within our antenatal and newborn screening service, and we remain committed to continuing our efforts to provide an equitable, excellent, and safe service for all our service users.

I am incredibly proud of the team and everyone who contributed and supported us along the way. Thank you to all of you who have played your part.

Kind regards

[REDACTED]

Subject: QA visit antenatal and newborn screening at Oxford University Hospitals NHS Foundation Trust April 2024: closure of action plan

Please find attached a letter confirming closure of action plan relating to the quality assurance (QA) visit that was carried out to the antenatal and newborn screening programmes at Oxford University Hospitals NHS Foundation Trust on 23rd April 2024.

The team is really to be congratulated for their hard work and dedication, and especially for closing all actions within the expected and required timescales.

It has been a pleasure to work with them and to support them.

Many kind regards

[REDACTED]
